

7-Figure Synergy Sync Up

Syncing up with 7-figures is a practice... not a race. It's a practice... not a one-and-done thing. Open the door and kickstart your practice with these journal prompts.

The below questions are to be answered from your soul... not your head. Feel into the questions... don't figure them out. Write whatever comes to you and keep writing until you feel complete.

What does your soul want you to know about receiving more wealth through your business?

What big payoffs would be optimal to plan for in the next six months?

What decision is my soul urging me to lean into so I can sync with 7-figures?

Flip the switch to a business that's soulful, simple, and delivers superabundance in [Super-Synced here](#).
